

# Experts Center for Market and Policy Research (ECMPR), Pakistan

Newsletter, Vol. 2, Issue 1, March 2023

**A meeting of the ECMPR Team with the Vice Chancellor, Khyber Medical University Peshawar regarding the upcoming conference**

## 9th EMS International Conference (Online)

It is a moment of pleasure and information for all the concerned that ECMPR is organizing its **9th EMS International Conference (Online)** on the theme of ***Freedom and Prosperity: Opportunities to Innovate and Sustain.***

The poster features a yellow and black color scheme. At the top left, logos for ATLAS NETWORK and ECMPR are displayed. The main title '9TH EMS INTERNATIONAL CONFERENCE (ONLINE)' is in large, bold, black letters on a yellow background. Below it, the dates '3 - 4 June 2023' are shown. A central image shows a person in a video conference. To the right, the theme 'Freedom and Prosperity: Opportunities to Innovate and Sustain' is written in bold black text. Below the theme, it says 'Submit abstracts by 15 March 2023 (Early bird Rg.)'. A yellow banner with the text 'Don't miss out the research opportunity.' is positioned above a 'REGISTER NOW!' tag. The 'Conference Areas' list includes Economics, Entrepreneurship, Legal Studies, Arts and Humanities, Education, Religious Studies, Political Science, Management Sciences, Psychology, Social Sciences, and Tourism. The 'Reasons to attend' section lists three points: 01. Share your exciting research work with the world. 02. We provide an analysis of your company's business. 03. Interact with experts and other research for future collaborations. The bottom section contains contact and submission information.

## Online Meeting with Academicians from Turkey

The ECMPR team had a meeting with Dr. Zekeriya Nas and Dr. Nadire from Turkey regarding academic collaboration on an international level. In the meeting the participants principally agreed to have joint conferences on such themes in future in Peshawar Islamabad, Anqara, Istanbul, Makkah, and Madina. To that effect they decided to have a formal MoU with terms and conditions for such collaboration. The meeting was concluded on the note that ECMPR will draft an MoU and share it with the colleagues from Turkey for their feedback. After the feedback from there the MoU will be finalized and then the activities will be practically started.

## **ECMPR Team Visits CECOS University Peshawar, Pakistan**

In the series of meetings with different universities, ECMPR team comprises Dr. Shahid Jan, Dr. Wali Rahman, Dr. Fayaz Ali Shah, and Dr. Mohib Ullah visited CECOS University Peshawar, Khyber Pakhtunkhwa, Pakistan, the leading private sector university of the province in the fields of IT & Engineering, to search for mutual projects relating to students entrepreneurship that could promote prosperity and economic freedom of the individual students especially of female students and to explore leadership qualities in them. The Center offered its services as resource persons when the university organized any activity to that effect. The team met with the Vice Chancellor, Dean, Faculty of Management Sciences and Computer Sciences. The team formally invited the University to be part of the upcoming conferences. The management of the University promised to extend their cooperation to ECMPR in the conference and also in future endeavours.

## Liberty and Learning in Schools

The ECMPR team has an informal meeting with the management of Frontier Gohar Academy, a prominent education providing chain in the private sector of the province. The school management briefed the team about their school system and ways and means the school adopts for grooming of the school students. The team discussed different aspects of education at school level and looked for collaboration that could help these students in achieving their goals. The ECMPR team suggested that they should work together for students' individual liberty and developing critical thinking at the school age so that they may enter college education with a more mature mind. The Academic head, Mr. Arif Gohar Salarzai expressed his pleasure and thanked the team for their concern for private schooling and this important aspect of the students' academic development.

## **ECMPR Team Working Dinner with Minister of Industries, Commerce & Technical Education, and Members of Chamber of Commerce**

The ECMPR team had a working dinner with the caretaker Minister for Industries, Commerce & Technical Education, Mr. Adnan Jalil, and Ex-President of Chamber of Small & Medium Enterprises Peshawar, Mr. Malak Khalid, and Executive member, Mr. Atif Shehzad. The team discussed different issues and challenges that the private sector industry has been facing due to the current political instability and financial crunch. All were of the common opinion that there is a need for concerted efforts by the Govt., chambers, academia and think tanks to take out the industry of this turmoil and to capacitate them to sustain such shocks in future. The Minister emphasized the active role of local think tanks and academia to suggest solutions based on empirical evidence. At the end, the Minister thanked the Center for arranging this fruitful and thought provoking gathering of key stakeholders.

**Join our hands to empower the youth for a psychologically, economically and socially vibrant and progressing society.**
